

## Musician Application

---

The Chamber is happy to invite neighborhood performers to apply for a time to entertain the market goers and showcase their talent! Performances will run in AM and PM time slots (from 10am until 12:30pm and 12:45 until 3pm) every Sunday. There is no charge for use of the venue, and a hat can be passed for donations. Priority will be given to performers with a Logan Square connection.

All musicians at the Market must perform acoustically, and there is no electrical power available at the Market site. Battery powered amplifiers are permissible under certain circumstances at the Market Manager's discretion. Use of drums and percussion must be limited so vendors and customers can carry on conversation easily (and so residents stay happy).

The Logan Square Farmers Market is not able to pay musicians to perform at the market. However, musicians are allowed to collect tips and sell CDs and other merchandise (so long as it is not food or tote bags). We will also promote you online via our Facebook page (which has over 12,000 likes), email newsletter (which has over 4,000 subscribers), Instagram, and website.

The Market will provide musicians with a 10ft x 10ft tent, however all other equipment (including chairs, signage and tip jars) must be provided by the performers.

Part 1. Please describe your set-up including the amount of performers and types of instruments.

Part 2. Briefly describe your music style (if possible, include the names of similar-sounding musical acts).

Below, please give us the information you would like us to use for these promotional purposes.

# Participation Information

The market runs most Sundays (rain or shine). Outdoor Season runs every Sunday from the second Sunday in May through the last Sunday in October, without breaks. The Indoor Season begins the first Sunday in November and runs through the last Sunday in March (excluding the Sunday following Thanksgiving, and some additional holidays. Refer to the website for updated scheduling by season.

When would you prefer to play? (Circle One)

Early shift (between 10am and 12:30pm)      Second shift (between 12:30pm and 3pm)      No preference

How often would you like to play through out the season?

One time only      A few times (2-4)      Whenever possible

Please indicate which season you are applying for (Outdoor + Year OR Indoor + Year-Year) and which Sunday dates you are able to perform.

When you submit your application, please include an attachment of a high-resolution photo to be used for marketing purposes.
